

## INDUSTRIAL - HIGH BAY

## VIA-HB-LENO150

### Specification :

|                     |                                   |
|---------------------|-----------------------------------|
| Material            | Made of die cast aluminum housing |
| Beam Angle          | 90°                               |
| Power               | 100-150-200-240w                  |
| Main Voltage        | 100-277VAC/ 50-60Hz               |
| luminous Efficiency | 170lm/w                           |
| Luminous Flux       | 17,000/25,500/34,000/40,800lm     |
| CCT                 | 4000/6500K                        |
| CRI                 | ≥80                               |
| PowerFactor         | 0.95                              |
| Working temperature | -40 to +60 °C                     |
| Life Span           | 50,000hrs                         |
| Ingress Protection  | IP65                              |
| IK                  | 8                                 |
| Dimension           | (D308 x H168) - (D360 x H174)     |

### Electrical Features:

|              |                       |
|--------------|-----------------------|
| Light Source | LUMILEDS Module - SMD |
| Powered By   | PHILIPS               |

### Applications

factory, Warehouses, Gymnasium, Industrial areas
